# FOREWORD

THIS is the first annual that Westhampton High School has issued. In this one volume we have endeavored to present a comprehensive insight into the life of the school and to show a little of its spirit and enthusiasm. We are proud of our Alma Mater. We believe it to be a modern high school — thoroughly American and bravely democratic.

We think the name of our annual is truly symbolic of the growth and achievements of our school. In later years PINES AND PENS will serve as a reminder of all that is Westhampton — the Pines will recall her strength, beauty and endurance; the Pens, her students and their scholastic attainments.

If we have presented a picture of Westhampton and all she represents; if we have compiled a volume filled with memories and scenes which in the future will recall the past, then we are happy — for we have accomplished our purpose.

# DEDICATION

To Westhampton High School the accomplishments of her past and the dreams for her future — we dedicate this, the first volume of Pine and Pens. In paying tribute to our Alma Mater we express our hope that the traditions and glories of days gone by will not be lost through the years to come and that Westhampton High School may continue to serve her students and her community.

# THE SAGA OF THE GOOD SHIP '41

In nineteen thirty-seven A. D.
September came around and we,
Ninety-six of us, embarked upon
A voyage that is almost done.
'Mid cloudy skies and stormy seas
And clear days, too, a steady breeze,
Has sped us on our course 'til now
That far off port we've reached somehow.
Seems long ago, that Freshman year,
When we came over, stiff with fear,
Here to find a new routine,
Strange faces that we'd never seen,
And how well we can remember
That happy day in December
When suddenly our cramming stopped—
Examinations had been dropped!
But the Freshman year quickly passed
And we as Sophomores were classed.
Partrick was president, then at little recess
The Dance Club started, a great success.
And Mr. Marks, mathematician,
Gave in to his real ambition
And to learn to fly he hied away,
And Roskam won at U. Va.
We're Juniors now, two years have flown.
The Chart Club comes into its own,
Partrick, Rudd, Salasky, Lee,
And Jack Williams, all were asked to be
Members. Plans were then begun
For the Carnival which won
For its success wide acclaim
And Margie Sease was queen of same.
J. McEvoy became the head
Of our class, and well he led.
The Williamsburg tour of History III
Historic sights there to see
Our Leap Year Dance, the first to be,
Boys had their chance at eating free,
The girls even called and took them there;
Alas, it was a strange affair.

Our Senior year at long last came
With dignity. Our class was led
By the honorable "Red."
We laughed at "Campus Quarantine,"
Such talent as is rarely seen,
Or is it? By Quill and Scroll
We were asked to enroll.
And the Diplomat's edition
Won S. I. P. A. recognition.
On we plunged to greater heights
And unknown talents came to light,
For this year book came into being,
This valued tome you are now seeing.
And to Anne Palmore went the honor
Of the Christmas play Madonna.
With events like these our year rolled by,
But none of us can quite deny
That many things tho' small they be
Bring memories fond to you and me—
The reckless rushing of the Diplomat staff,
In English class, Miss Bentley's laugh,
Announcements before the little recess,
And Civics discussions, and the mess
From students eating in Study Hall,
Miss Sadler asking, "Can't you read at all?"
Mrs. Matthews correcting pronunciation
And every bit of our translation,
Mr. Saunders and his cardboard art
In which most of us took a part,
Savage in the Senior play,
Miss Miller calls the "Dragonettes" blasé,
And Morrell's 2000 word epistle
Was to each of us a thistle
We must endure. We all know well
Of these minor things I tell,
But each has had a major share
In helping make our voyage fair.
As we slip into port and furl our sails,
We remember the sunshine, forget the gales,
Remember the laughs, forget the tears,
While we navigated through the years.
Ships will sail again and have sailed before,
Will pass the shoals and sight the shore,
But none can equal, when their voyage is done,
The Saga of the Good Ship '41.

# ALMA MATER

Assembled in these halls today,
There is very little that we can say,
But deep in our hearts a love holds true—
A love that will grow the long years through.
We feel a loyalty and we'll always be
Truly faithful, Alma Mater, to thee.

What we have learned of books or of life,
Will help us forever in joy or in strife;
We'll always remember as the sun downward winds,
The sight of Westhampton among the tall pines.
Foremost in memories, though our lives may sever,
Will be our Alma Mater—forever and ever.

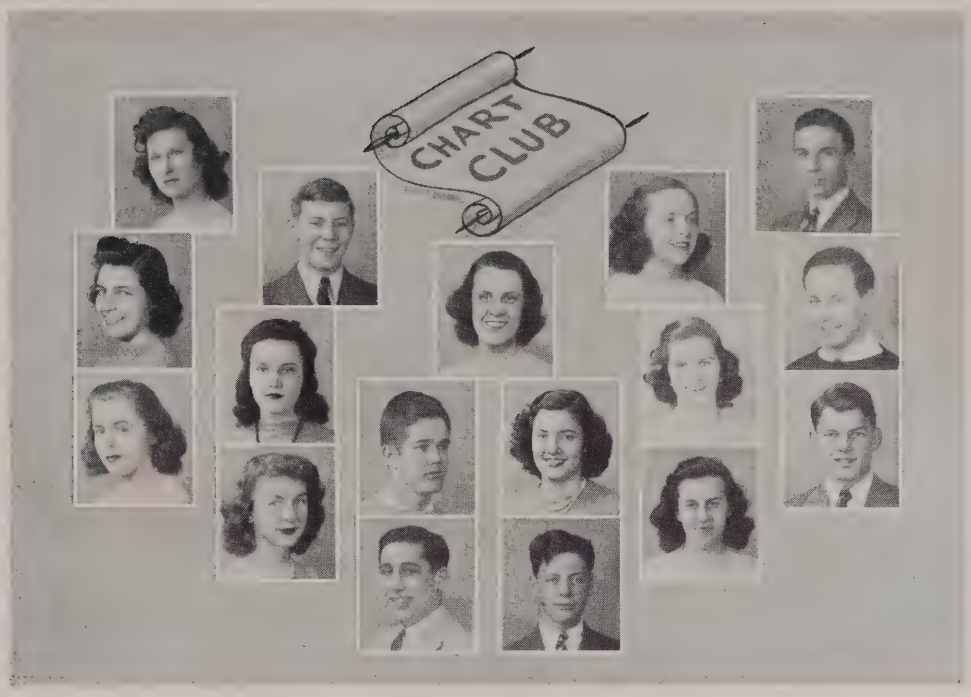
# CLUBS



# THE CHART CLUB

THE Chart Club of Westhampton High School was organized in 1939 by a group of students in order to foster, encourage, and maintain inspiring ideals of school life, civic duty, and spiritual responsibility among the students, and to co-operate effectively with the faculty and patrons of the school in the attainment of these objectives.

Membership in the club is limited to students active in the life of the school. These students are elected by three-fourths vote of the members with the approval of a committee from the faculty appointed by the principal, who is the chairman.

# THE CORRIDOR CLUB

THE Corridor Club was organized to provide a group of students for duties in the halls. The club membership is restricted to third-year students, although in exceptional cases, Sophomores are invited to join. Membership in the Corridor Club is one of the greatest honors a junior student may have, for members must attain a high scholastic standing and be recommended by the faculty for capability and character.

# JUNIOR RED CROSS COUNCIL

Since 1937 Westhampton High School has participated in the activities of the Henrico Junior Red Cross. The members have aimed to put into actual practice their motto, "We serve." To this end, donations have been made to the National Children's Fund and the local Iron Lung Fund. To better reach their goal members have knitted sweaters, beanies, and afghans and made layette sets for the British War Relief. Ever since the council's existence, one or more of its members have attended the Red Cross Conventions in Washington, D. C. The purpose of these conventions was to bring about better relations between this and other lands. In connection with the conventions, Westhampton High School Junior Red Cross members have sent albums to pupils of our own and other countries. The council hopes to maintain more and better service in the future.

# THE DIPLOMAT

In the fall of 1936, the Diplomat, monthly student paper, first made its appearance at Westhampton. Beginning as an outgrowth of the Beacon, the previous publication, the present Diplomat has seen the changes of necessity and of progress.

As improvements have been made, the paper has merited rewards. This year membership was obtained in the Southern Interscholastic Press Association, and the Diplomat was presented with an honor award from that organization.

More recently the Diplomat has become a member of the Quill and Scroll, and the four charter members of the chapter opened here all hold positions on the newspaper staff.

Until this year, the Diplomat has been the only student publication, and when plans for the annual were begun, members of the Diplomat staff headed the committee selected from the student body which was responsible for the birth of Pines and Pens.

# ATHLETICS

No SCHOOL can succeed in athletics without good leadership. In the year 1940-41 Westhampton was fortunate in having as the directors of her sports activities Head Coach Coke Smith and his assistant, Ben Saunders. All during the season they have inspired confidence and enthusiasm. In spite of the handicaps that faced her teams, in spite of the fact that they were not always victorious in scores, Westhampton may well be proud of the greater victory in good will and good sportsmanship which have developed under the guidance of Coaches Smith and Saunders.

# VARSITY FOOTBALL

WESTHAMPTON'S football team started work in September 1940 under great difficulties. Graduation took nine lettermen, all of whom were on the starting team. This left six lettermen, only two of whom played on the regular team last year. The new men were light and inexperienced, but exceedingly enthusiastic. Although the team won but two games, these victories over our arch-rivals, Glen Allen and Highland Springs, gave us the county championship. The fine spirit and sportsmanship shown in both defeat and victory is an achievement of which Westhampton may well be proud.

During the 1940 season, there were many excellent players on the Diplomat team. Outstanding among these was Johnny MacEvoy. Mac, aside from being captain of the team, was one of our hardest driving backs. His backing up of the line on defense was also outstanding. Another capable back was Bobby O'Hare. His running and passing was one of the highlights in the Diplomat's defense. Outstanding in the line were Stanley Harding and Bernard Curtis. Stanley's blocking and tackling has disheartened many an opponent. Bernard is remembered most for those long kicks of his, while his work in the line is also good at either tackle or end. These Senior boys were the mainstays on the 1940 team and will be greatly missed when they graduate.

# BANTAM FOOTBALL

THE WESTHAMPTON BANTAM TEAM is made up of high school boys weighing from 105 to 125 pounds. This team, under the guidance of Assistant Coach Ben F. Saunders, finished the season in good standing with three victories and three defeats. The first game was taken from their rival, Saint Christopher's, by a 33-0 score. The Bantams also came out the victors in the second game, which was played against Northside Junior High with the score of 12-0. Benedictine defeated the Junior Diplomats in the next contest by one point. The score was 7-6. In the following game the Bantams accepted defeat at the hands of Ginter Park with the score standing 14-13. Westhampton took one game from Chimborazo by forfeit. The last game of the season was won from the Bantams by the Boys' Home. In this game all boys played unusually well. Especially outstanding were "Bookie" Wooldridge as guard, Lynn Chewning as end, and Earle Dunford as center.

# PEEWEE FOOTBALL

The Westhampton Peewee Team, also coached by Mr. Saunders, is composed of boys under 105 pounds in weight from both the high school and the grammar grades. The "Little Diplomats" were fated to lose the first game of the 1940 season to the Peewee team from Saint Christopher's. Led by Richard Blank and Billy Slavin, they put up a tough fight during the whole game and at one time were within ten yards of the goal. When the final whistle blew the score stood 6-0 in favor of Saint Christopher's. The next game was won from Ginter Park by the same score of 6-0. The W. H. S. Peewees scored in the first quarter on a fake reverse. Blank was again outstanding for his runs. The season ended with a 13-0 victory over Camp Virginia. The Peewee team of Westhampton High School serves the very excellent purpose of arousing interest in football. From the boys on this team we hope to develop the keymen for our future Varsity teams.

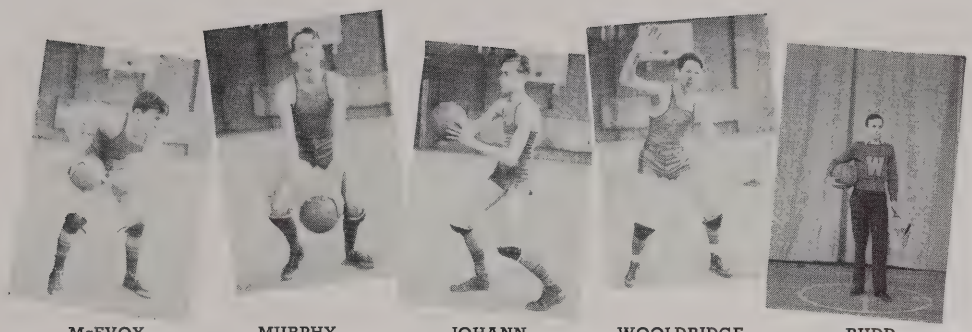
# VARSITY BASKETBALL

TEN BOYS answered Coach Smith's summons this year for the basketball team. Through the combined efforts of Coach Smith and these ten boys, the Diplomats finished the season with eleven victories and five setbacks.

Although we did not have our entire first team playing during the first part of the season, nevertheless we finished in good standing.

Probably, the hardest defeats which we had to take were the two from our greatest basketball rivals, Glen Allen. Of the three remaining defeats, two were from the Thomas Jefferson "B" team and one from the Alumni.

For his first season as head coach of basketball, Coach Smith has done an excellent job, and we are proud of the team he produced.



**McEVOY** Guard | **MURPHY** Center | **JOHANN** Forward | **WOOLDRIDGE** Guard | **RUDD** Manager

In a team the calibre of ours it is difficult to select the most outstanding members when the entire group has played such good ball. The two high scorers on the team were Tom Murphy, center, with 125 points, and Johnny McEvoy, guard, who has 65 points to his credit.

# JUNIOR VARSITY BASKETBALL

The Westhampton Junior Varsity, otherwise known as the "B" team, completed their basketball season this year in fine fashion. The team, led by Coach Smith, walked off the floor the victor in seven games, the loser in two.

They proudly accepted their first victory from Glen Allen "B" by a 37-11 score. After a second victory they received their first defeat of the season from Highland Springs "B" by a 10-12 score. Their second and final defeat was received from Thomas Jefferson Junior Varsity with the score 15-19.

Harry Perrin played exceptionally well by scoring the first few points in almost every game. Others known for good playing were Bob Hygon and Leslie Woodburn.

# BASEBALL

In the spring of 1940 it was announced that baseball was being abolished at Westhampton because of a lack of interest in the sport. After a year's lay-off enthusiasm is high enough to warrant its restoration. Approximately twenty-six boys answered Coach Smith's call to practice. The squad was composed of D. Harrison, J. Hawkins, J. Hubbard, R. O'Hare, G. Sutton, W. Holt, L. Woodburn, R. Andrews, B. Curtis, G. Cole, C. Nash, S. Harding, T. Pruitt, and S. Sanderson. Although there were none of the lettermen of the '39 team on the squad, the boys have not let their lack of experience daunt them.

At the time of publication only one game had been played, this being with Thomas Jefferson. Tee Jays' power and experience was too much for our boys and they were defeated.

# THIS 'N THAT

THE CHRISTMAS SEASON—thoughts turn to the Nativity. The Madonna's face, sweet, compassionate, smiling with joy over the humble resting place of the Babe. Her face is filled with understanding and hope as she looks into the future and ponders the path her son is destined to travel. About her head shines an aura of light—the symbol of a higher nobility. To us, the students of Westhampton, Anne Palmore possesses that sweetness and strength of character shown best in Mary, the Mother of Christ. For this reason we chose her as the Madonna in our Pageant.

# ACKNOWLEDGEMENTS AND APPRECIATION

IN GRATEFUL appreciation to those students, members of the faculty, and patrons who have given such valuable aid in the publication of this yearbook, we of the staff wish to express our thanks.

Without Miss Bentley's interest, guidance, and leadership, the annual would not have reached completion; through Miss Ingram's skill in handling financial matters, the printer's bill has been paid. Coach Smith deserves the credit for assisting our photographer in arranging the sports pictures which appear throughout the book, and Mrs. Smith willingly gave the use of her Home Economics apartment as a background for our indoor pictures. We appreciate also the co-operation of our advertisers. They deserve our support.

These and many more have willingly offered their services, and to them goes much of the credit for the success of this annual.

# THANK YOU . . .

Last year we received a letter from the editor of one of our annuals from which we quote, in part:

" . . . what struck me most was the way in which you took our material and made the best-looking annual we have ever had. . . . Thanks."

* * *

Constantly striving to make each annual better than its predecessor assures our annual purchasers the best possible product within the means of the staff.
